PART I: DEVELOPING A CRITICAL APPROACH TO ORGANIZATIONAL COMMUNICATION	
1 Introducing Organizational Communication	3
Organizations as Communicative Structures of Control Defining "Organizational Communication" 6 Interdependence 6 Differentiation of Tasks and Functions 7 Goal Orientation 8 Control Mechanisms 8 Direct Control 9 Technological Control 9 Critical Technologies 1.1: Defining Communication Technology 11 Bureaucratic Control 11 Ideological Control 11 Disciplinary Control 12 Communication Processes 14 Framing Theories of Organizational Communication 15 Functionalism: The Discourse of Representation 17 Interpretivism: The Discourse of Understanding 18 Critical Case Study 1.1: A Conduit Model of Education 19 Critical Theory: The Discourse of Suspicion 21 Postmodernism: The Discourse of Suspicion 21 Postmodernism: The Discourse of Empowerment 24 Conclusion 27 Critical Applications 27 Key Terms 28 The Critical Approach	29
The Critical Approach: A History 30 Karl Marx 30 Marx's Key Issues 31 Critiquing Marx 35	

	The Institute for Social Research (the Frankfurt School) 36
	Critical Theory and the Critique of Capitalism 37
	Critical Theory and the Critique of Enlightenment Thought 38
C	ritical Case Study 2.1: McDonaldizing "Fridays" 39
	Critiquing the Frankfurt School 39
	Cultural Studies 40
l	nderstanding Organizational Communication From a Critical
	Perspective 44
	Organizations Are Socially Constructed Through Communication Processes 44
C	ritical Technologies 2.1: Mediating Everyday Life 45
	Organizations Are Political Sites of Power and Control 46
	Organizations Are Key Sites of Human Identity Formation in Modern Society 47
	Organizations Are Important Sites of Collective Decision
	Making and Democracy 48
	Organizations Are Sites of Ethical Issues and Dilemmas 48
	onclusion 49
	ritical Applications 50

PART I	I: THEORIES OF ORGANIZATIONAL COMMUNICATION
ANDT	HE MODERN ORGANIZATION
ANUI	RE MODERN ORGANIZATION
ANU	HE MODERN ORGANIZATION
AND	
3	Scientific Management, Bureaucracy, and the Emergence
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization ne Emergence of the Modern Organization 56
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization ne Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization ne Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization ne Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 ritical Technologies 3.1: Timepieces and Punch Clocks 59
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization ne Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 ritical Technologies 3.1: Timepieces and Punch Clocks 59 cientific Management: "Tayloring" the Worker to the Job 61
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Tientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization Time Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Tientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65
3	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization ne Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 ritical Technologies 3.1: Timepieces and Punch Clocks 59 cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 ureaucratic Theory: Max Weber and Organizational Communication 71
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Tientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 Ureaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Tientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 Treaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72 Charismatic Authority 72
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization Time Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 Ureaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72 Charismatic Authority 72 Traditional Authority 74
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 Ureaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72 Charismatic Authority 74 Rational—Legal Authority 74
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 Ureaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72 Charismatic Authority 72 Traditional Authority 74 Rational-Legal Authority 74 Weber's Critique of Bureaucracy and the
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Time Clocks 59 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 Ureaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72 Traditional Authority 74 Rational—Legal Authority 74 Weber's Critique of Bureaucracy and the Process of "Rationalization" 75
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Tientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 The Legacy of Scientific Management 69 The Legacy of Authority 72 Charismatic Authority 72 Traditional Authority 74 Rational-Legal Authority 74 Weber's Critique of Bureaucracy and the Process of "Rationalization" 75 The Legacy of Bureaucracy 76
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Ticientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 The Legacy of Scientific Management 69 Traditional Authority 72 Charismatic Authority 72 Traditional Authority 74 Rational-Legal Authority 74 Weber's Critique of Bureaucracy and the Process of "Rationalization" 75 The Legacy of Bureaucracy 76 Titical Case Study 3.1: Rationalizing Emotions 77
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Cientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 ureaucratic Theory: Max Weber and Organizational Communication 71 Weber's Types of Authority 72 Charismatic Authority 74 Rational-Legal Authority 74 Weber's Critique of Bureaucracy and the Process of "Rationalization" 75 The Legacy of Bureaucracy 76 itical Case Study 3.1: Rationalizing Emotions 77 proclusion: A Critical Assessment of "Classic" Theories of Organization 78
3 C S	Scientific Management, Bureaucracy, and the Emergence of the Modern Organization The Emergence of the Modern Organization 56 Time, Space, and the Mechanization of Travel 56 Time, Space, and the Industrial Worker 58 Titical Technologies 3.1: Timepieces and Punch Clocks 59 Ticientific Management: "Tayloring" the Worker to the Job 61 Taylor's Principles: The "One Best Way" 63 The Contributions of Frank and Lillian Gilbreth 65 A Critical Assessment of Scientific Management 68 The Legacy of Scientific Management 69 The Legacy of Scientific Management 69 Traditional Authority 72 Charismatic Authority 72 Traditional Authority 74 Rational-Legal Authority 74 Weber's Critique of Bureaucracy and the Process of "Rationalization" 75 The Legacy of Bureaucracy 76 Titical Case Study 3.1: Rationalizing Emotions 77

4 The Human Relations School

Placing the Human Relations Movement in Its Historical and Political Context 82 Elton Mayo and the Hawthorne Studies 84 The Hawthorne Studies 85 The Illumination Studies (1924–1927) 85 The Relay Assembly Test Room (RATR) Studies (April 1927-February 1933) 86 The Interview Program (September 1928-January 1931) 86 The Bank Wiring Observation Room Study (November 1931-May 1932) 87 Implications of the Hawthorne Studies 87 Critical Case Study 4.1: Reframing Happiness at Zappos 88 A Critique of the Hawthorne Studies 90 Reexamining the Empirical Data 90 Critiquing the Ideology of the Hawthorne Researchers 91 The Wholly Negative Role of Conflict 91 Rational Manager Versus "Sentimental" Worker 91 Gender Bias in the Hawthorne Studies 92 Summary 92 Mary Parker Follett: Bridging Theory and Practice 92 Follett's Theory of Organization 93 The Strange Case of the Disappearing Theorist 96 Human Resource Management 97 Douglas McGregor's Theory X and Theory Y 98 Critical Technologies 4.1: "Wilfing" Your Life Away 100 Rensis Likert's Four Systems Approach 100 Critiquing Human Resource Management 101 Conclusion 103

5 Organizations as Communication Systems

Critical Applications 104

Key Terms 104

105

Situating the Systems Perspective 106
The Principles of the Systems Perspective 107
 Interrelationship and Interdependence of Parts 108
 Holism 108
 Input, Transformation (Throughput), and Output of Energy 110
 Negative Entropy 110
 Equilibrium, Homeostasis, and Feedback 111
 Hierarchy 113
 Goal Orientation 114
 Equifinality and Multifinality 114
Organizations as Systems of Communication 115
Critical Technologies 5.1: Organizing Food 116
 Karl Weick and Organizational Sense Making 118
 Weick's Model of Organizing: Enactment, Selection, and Retention 120

Critical Case Study 5.1: Airlines and Equivocality 124 Niklas Luhmann and the Autopoietic Organization 126	
A Critical Perspective on the Autopoietic Organization 129	
Conclusion 129	
Critical Applications 130	
Key Terms 131	
6 Communication, Culture, and Organizing	133
The Emergence of the Cultural Approach 134	
Two Perspectives on Organizational Culture 137	
The Pragmatist Approach: Organizational Culture as a Variable 137	
Critical Technologies 6.1: Communication Technology and	
Organizational Culture 140	
The Purist Approach: Organizational Culture as	
a Root Metaphor 140	
A Broader Conception of "Organization" 142	
The Use of Interpretive, Ethnographic Methods 142 The Study of Organizational Symbols, Talk, and Artifacts 144	
Relevant Constructs 145	
Facts 145	
Practices 146	
Vocabulary 146	
Metaphors 147	
Critical Case Study 6.1: Organizational Culture and Metaphors 148	
Rites and Rituals 149	
Organizational Stories 149	
Summarizing the Two Perspectives 152	
Conclusion 152	
Critical Applications 153	
Key Terms 154	
PART III: CRITICAL PERSPECTIVES ON ORGANIZATIONAL	
COMMUNICATION AND THE NEW WORKPLACE	155
7 Power and Resistance at Work	157
Perspectives on Power and Organizations 158	
Power as Social Influence 158	
The One-Dimensional Model of Power 160	
The Two-Dimensional Model of Power 161	
The Three-Dimensional Model of Power 162	
Organizational Communication and Ideology 163 Critical Case Study 7.1: Ideology and Storytelling 165	

A Critical Perspective on Weick 124

Ideology Represents Particular Group Interests as Universal 166 Ideology Obscures or Denies Contradictions in Society 167 Ideology Functions to Reify Social Relations 168 Examining Organizational Communication Through the Lens of Power and Ideology 169 Organizational Communication and Corporate Colonization 171 Engineering Culture 172 Resisting Corporate Colonization 173 The Hidden Resistance of Flight Attendants 174 Critical Technologies 7.1: Social Media as Resistance 177 Conclusion 178 Critical Applications 179 Key Terms 179 The Postmodern Workplace: Teams, Emotions, and No-Collar Work 181 Disciplinary Power and the Postmodern Organization 182 The Postmodern Organization: From Fordism to Post-Fordism 183 The Fordist Organization 184 The Post-Fordist Organization 185 The Post-Fordist Organization: Teams, Emotions, and No-Collar Work 187 Teams at Work 187 Critiquing Work Teams 190 Critical Technologies 8.1: Virtual Teams 193 Emotions at Work 194 Critical Case Study 8.1: What Does Drinking Coffee Have to Do With Organizational Communication? 197 Doing "No-Collar" Work 198 Conclusion 202 Critical Application 203 Key Terms 203 **Communicating Gender at Work** 205 Feminist Perspectives on Organizational Communication 207 Liberal Feminism: Creating a Level Playing Field 207 Radical Feminism: Constructing Alternative Organizational Forms 214 Critical Feminism: Viewing Organizations as Gendered 216 Critical Technologies 9.1: Gender, Technology, and Power 221 Masculinity and Organizational Communication 222 Critical Case Study 9.1: Why My Mom Isn't a Feminist 226 Conclusion 227 Critical Applications 228 Key Terms 228

Defining Difference 230	
Race and Organizational Communication 231	
Putting Race and Organization in Historical Context 231	
Race and the Contemporary Workplace 233	
Interrogating Whiteness and Organizational Communication 237	
Critical Case Study 10.1: Interrogating Mumby Family Whiteness 240	
The Body, Sexuality, and Organizational Communication 241	
Instrumental Uses of the Body and Sexuality 241	
Critical Technologies 10.1: Technologies of the Body 243	
Critical Case Study 10.2: Sexing up the Corporate Experience 244	
Sexual Harassment in the Workplace 245	
Resistant/Emancipatory Forms of Sexuality 247	
Gay Workers and "Heteronormativity" 249	
Conclusion 252	
Critical Applications 253	
Key Terms 254	
Traditional Perspectives on Leadership 256	
Traditional Perspectives on Leadership 256 The Trait Approach 257	
The Trait Approach 257 The Style Approach 259	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271 A Critical Communication Perspective on Leadership 270	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271 A Critical Communication Perspective on Leadership 270 Leadership and Disciplinary Power 272	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271 A Critical Communication Perspective on Leadership 270 Leadership and Disciplinary Power 272 Resistance Leadership 273 Narrative Leadership 274 Gender and Leadership 275	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271 A Critical Communication Perspective on Leadership 270 Leadership and Disciplinary Power 272 Resistance Leadership 273 Narrative Leadership 274 Gender and Leadership 275 Conclusion 277	
The Trait Approach 257 The Style Approach 259 The Situational Approach 261 Summary 262 New Approaches to Leadership 263 Leadership as Symbolic Action 263 Transformational Leadership 265 Followership 266 Critical Case Study 11.1: Leadership Lessons From "Dancing Guy" 269 Critical Technologies 11.1: E-Leadership 271 A Critical Communication Perspective on Leadership 270 Leadership and Disciplinary Power 272 Resistance Leadership 273 Narrative Leadership 274 Gender and Leadership 275	

Branding 283

Critical Case Study 12.1: Diamonds Are Forever? 286

Branding and Identity 290 Critical Case Study 12.2: When Brands Run Amok 292 Marketing, "Murketing," and Corporate Colonization 293 Organizations, Branding, and the Entrepreneurial Self 295 Critical Technologies 12.1: Do You Have Klout? 297 The Ethics of Branding 298 Conclusion 301 Critical Applications 303 Key Terms 303 13 Organizational Communication, Globalization, and Democracy 305 Defining Globalization 306 Spheres of Globalization 308 Globalization and Economics 308 Globalization and Politics 311 Globalization and Resistance 313 Globalization and Culture 315 Critical Case Study 13.1: Culture Jamming Nike 316 The Globalization of Nothing 318 Gender, Work, and Globalization 319 Critical Technologies 13.1: Work, Technology, and Globalization in the Call Center 322 Communication and Organizational Democracy 323 Mason's Theory of Workplace Participatory Democracy 324 Stohl and Chenev's Paradoxes of Participation 326 Paradoxes of Structure 327 Paradoxes of Agency 327 Paradoxes of Identity 327 Paradoxes of Power 328 Deetz's Stakeholder Model of Organizational Democracy 328 Conclusion 331 Critical Applications 332 Key Terms 332 **14** Communication, Meaningful Work, and Personal Identity 333 Meaningful Work 334 A Sense of Agency 334 Enhances Belonging or Relationships 336 Creates Opportunities for Influence 336 Critical Technologies 14.1: How Does Communication Technology Affect Our Experience of Work? 337 Permits Use and Development of Talents 338 Offers a Sense of Contribution to a Greater Good 338 Provides Income Adequate for a Decent Living 339

Managing Work Identity: Some Historical Context 340
Creating and Managing Work Identities 343
Identity, Identification, and Disidentification 344
Conformist Selves 346
Dramaturgical Selves 347
Resistant Selves 348
No Collar, No Life 351
Critical Case Study 14.1: A Tale of Two Countries 352
Conclusion 353
Critical Applications 354
Key Terms 355
