Background Note xviii

BIHAR 1

1. Secondary Data Report for Bihar 3

1.1 PROFILE OF THE STATE 3

1.2 LITERACY AND PRIMARY EDUCATION 4

Enrolment Rate 5 • Drop-out Rate 5 • Drop-out Rate among Scheduled Castes and Scheduled Tribes 5 • Teacher–Student Ratio 6 • Proximity of Primary Schools 7 • Effective Literacy Rate 8 • Literacy among Scheduled Castes and Schedule Tribes 8

1.3 HEALTH CARE FACILITIES AND HEALTH STATUS 9

Health Care Facilities 10 • Number of Hospitals, Dispensaries, and Health Posts 11 • Sub-centres, Public Health Centres, and Community Health Centres 11 • Family Welfare Centres 11 • Number of Doctors and Paramedical Personnel 11

1.4 DEMOGRAPHIC PARAMETERS 12

Population Density 12 • Sex Ratio 12 • Scheduled Castes 13 • Scheduled Tribes 13 • Level of Urbanization 14 • Pattern of Work Participation 14 • Size of Household 15 • Dependency Ratio 15

1.5 GROWTH OF POPULATION 16

Proportion of Married Females and Mean Age at Marriage 16 • Death Rate and Child Mortality 16 • Fertility Indices 18

1.6 MATERIAL WELL-BEING 19

Income and Consumption 19

1.7 GOVERNMENT PROGRAMMES AND POLICES 20

Education—Primary and Adult 20 • Operation Blackboard 20 • Adult Education 21 • Health, Water Supply, and Sanitation 21 • Drinking Water Supply 21 • Sanitation 21 • Housing 22 • Nutrition 22 • Welfare Programmes for Weaker Sections 22 • Scheduled Castes 23 • Scheduled Tribes 23 • Poverty Alleviation Programmes, Land Reforms, and Employment Generation 23 • Rural Development 24 • Integrated Rural Development Programme 24

1.8 CONCLUDING REMARKS 25

2. Survey Report for Bihar 42

2.1 MAJOR FINDINGS OF SURVEY DATA 42

Household and Individual Income 42 • Asset Ownership 44 • Literacy Rate 44 • Ever Enrolment Rate 45 • Expenditure Data on Morbidity 46 • Immunization 47 • Crude Birth Rate and Death Rate 47

3. Village Study in Bihar: Indwas and Raghunandanpur 74

3.1 INTRODUCTION 74

3.2 INDWAS 74

Location 74 • Land and Distribution 75 • Total Population 75 • Household by Caste 75 • Housing Pattern 75 • Occupation Pattern 76 • Social Practices 76 • Infrastructural Facilities 77 • Educational Facilities 78 • Health Facilities 78 • Findings from Focus Group Discussions 78 • Children's Drop-out Questionnaire 82 • Free Listing of Illness 83

3.3 VILLAGE RAGHUNANDANPUR 84

Profile of District 84 • Location 84 • Land Area Distribution 84 • Distribution of Households by Caste 84 • Occupation Pattern 85 • Social Conditions 85 • Infrastructure Facilities 86 • Quality of Life 86 • Educational Facilities 86 • Health Facilities 87 • Findings from Focus Group Discussions 87 • Findings from Children's Drop-out Questionnaire 90 • Findings from Free Listing of Illness 91 • Summary and Conclusions 92

NORTH EASTERN REGION 95

4. Secondary Data Report for North Eastern Region 97

4.1 POOR DATABASE 97

4.2 PROFILE OF THE REGION 97

4.3 POPULATION 99

4.4 PRIMARY EDUCATION AND LITERACY 101

Effective Literacy Rate 101 • Primary School Enrolment 102 • Drop-out Rates and Mean Years of Schooling 103 • Distance of School from Habitations 104

4.5 HEALTH STATUS AND RELATED DEMOGRAPHIC PARAMETERS 104

Life Expectancy at Birth 104 • Health Care Services: Infrastructural and Personnel 105 • Density of Population and Sex Ratio 106 • Urban Population 106 • Size of Household and Dependency Ratio 106 • Work Participation Rates 107

4.6 FACTORS AFFECTING FERTILITY AND CHILD MORTALITY 108

Mean Age at Marriage 108 • Infant and Child Mortality 108 • Fertility Indices 108

4.7 MATERIAL WELL-BEING 109

Monthly Per Capita Consumption Expenditure 109 • Population below Poverty Line in Rural North East 110

4.8 CONCLUDING REMARKS 110

5. Survey Report for North Eastern Region 128

5.1 RURAL SAMPLE 128

5.2 MAJOR FINDINGS 128

Household and Per Capita Income 128 • Ownership of Assets 129 • Literacy Rate 132 • Enrolment Rate 132 • Expenditure on Morbidity 133 • Crude Birth and Death Rates 134 • Immunization • 134

5.3 CONCLUSION 136

6. Village Level Study in Assam: Panitema and Bongaligaon 160

6.1 INTRODUCTION 160

6.2 VILLAGE PANITEMA 160

Profile of District Kamrup 160 • Location and Landscape 160 • Household Distribution by Caste 161 • Occupations 161 • Infrastructural Facilities 161 • Medical Facilities 162 • School Facilities 162 • Summary of Focus Group Discussions 164 • Findings of the Focus Group Discussions 165

6.3 VILLAGE BONGALIGAON 166

Profile of District 166 • Location 166 • Historical Background 166 • Type of House by Caste 167 • Occupation 167 • Infrastructural Facilities 167 • Educational Facilities 167 • Medical Facilities 168 • Other Government Schemes 168 • Summary of Focus Group Discussions 168 • Findings of Focus Group Discussions 169 • Reasons for Children's Drop-out 170 • Free Listing of Illness 170 • Conclusion 171

ORISSA 173

7. Secondary Data Report for Orissa 175

7.1 INTRODUCTION 175

7.2 GENERAL CHARACTERISTICS 175

7.3 POPULATION 175

7.4 EDUCATIONAL CHARACTERISTICS 176

Enrolment and Drop-out Rates 176 • Mean Years of Schooling 178 • Teacher-Student Ratio 178 • Literacy 179

Literacy Rate 291 • Enrolment Rates 291 • Expenditure Data on Morbidity 291 • Immunization 293 •
Crude Birth Rate 293 • Crude Death Rate 293

12. Village Level Study in West Bengal: Belpur and Sahapur 322

12.1 INTRODUCTION 322

12.2 BELPUR VILLAGE 322

Profile of the District 322 • Location of Belpur 322 • Origin of Village 322 • Caste Composition and
Size of the Village 323 • Housing Pattern 323 • Occupation by Caste 323 • Infrastructure 323 •
Medical Facilities 323 • Education 323 • Focus Group Discussions 324 • Overview of Focus Group
Discussions 325 • Children's Drop-out Questionnaire 326 • Free Listing of Illness 328

12.2 VILLAGE SHAHPUR 328

Profile of the District 328 • General Characteristics 328 • Area Population and Households 329 •
Housing Pattern 329 • Occupation by Religion 329 • Infrastructure Facilities 330 • Education 330 •
An Overview of Focus Group Discussions 331 • Findings of Focus Group Discussions 332 • Free Listing
of Illness 333 • Children's Drop-out Questionnaire 333 • Conclusion 334

Tables and Illustrations

1.1	Literacy among SCs and STs in India and Bihar	9
1.2	Estimated Child Mortality in Bihar by Level of Education of Mother	18
1.3	Estimated Child Mortality in Rural Bihar by Occupation of Main Workers	18
1.4	Consumer Expenditure Per Capita Income, and Incidence of Poverty	19
1.5	Intensity of Poverty in Bihar and Neighbouring States	20
1.E1	Districtwise Primary School Enrolment, Teacher-Student Ratio, and Drop-out Rate for All Areas, 1986-7	27
1.E2	Districtwise Drop-out Rate among SCs and STs for All Areas, 1977-8	28
1.E3	Districtwise Effective Literacy Rate by Place of Residence and Sex, 2001	29
1.E4	Districtwise Percentage of Rural Population Served by Primary School	30
1.H1	Districtwise Number of Hospitals, Dispensaries, and Health Posts in Urban Areas	31
1.H2	Districtwise Number of Sub-centres, PHCs, CHCs, and Doctors per lakh Rural Population for Allopathy System	32
1.H3	Districtwise Population Density, Sex Ratio, and Percentage of SCs, STs, and Urban Population, 1991	33
1.H4	Districtwise Population of Workers as Percentage to Total Population, Workers in Household Industry for Urban Areas as Percentage to Total Main Workers, 2001	34
1.H5	Districtwise Population of Workers as Percentage to Total Population, Workers in Household Industry for Rural Areas as Percentage to Total Main Workers, 2001	35
1.H6	Districtwise Dependency Ratio and Average Size of Households by Place of Residence, 1991	37
1.H7	Districtwise Mean Age at Marriage and Percentage of Females Married in Age Group 15-24 by Residence, 1991	38
1.H8	Child Mortality Estimates by District for All Areas, 1991	39
1.H9	Fertility Indices by Religion and Place of Residence, 1981	39
1.H10	Districtwise Adjusted Fertility Indices	40
1.H11	Crude Birth Rate	40
1.P1	Distribution of Persons Per Thousand and Average Monthly Consumer Expenditure, 1987	41
1.M1	Districtwise CMIE Index and Average Village Size	41
2.1	Allocation of Sample Households in Various Strata	42
A2.1	Levels of Income and Distribution of Households by Population Group in Rural Bihar	48
A2.2	Sourcewise Percentage Distribution of Household Income by Population Group in Rural Bihar	49
A2.3	Average Wage Income and Its Share in Total Income by Population Group in Rural Bihar	50
A2.4	Land and Livestock Owned by Households by Population Group in Rural Bihar	51
A2.5	Amenities Available in Households by Population Group in Rural Bihar	52
A2.6	Consumption of Foodgrains and Utilization of PDS by Population Group in Rural Bihar	53
A2.7	Literacy Rate and Gender Disparity by Population Group in Rural Bihar	54
A2.8	Ever Enrolment, Discontinuation, and Non-attendance Rates for Children by Population Group in Rural Bihar	55
A2.9	Factors for Non-enrolment of Children and Gender Disparity by Population Group in Rural Bihar	56
A2.10	Factors for Discontinuation of Children and Gender Disparity by Population Group in Rural Bihar	57
A2.11	Proportion of Population Completing Middle and Matriculation Levels and Gender Disparity by Population Group in Rural Bihar	58
A2.12	Percentage Distribution of Students and Gender Disparity by Type of School by Population Group in Rural Bihar	59

A2.13	Percentage Distribution of Household Annual Expenditure on Schooling in Government Schools and Gender Disparity by Population Group in Rural Bihar	60
A2.14	Percentage Distribution of Household Annual Expenditure on Schooling in Private Schools and Gender Disparity by Population Group in Rural Bihar	62
A2.15	Short Duration and Major Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural Bihar	64
A2.16	Short Duration Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural Bihar	65
A2.17	Major Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural Bihar	66
A2.18	Per Person Household Expenditure for Treatment of Illness and Gender Disparity by Population Group in Rural Bihar	67
A2.19	Fertility Rate by Population Group in Rural Bihar	69
A2.20	Contraceptive Prevalence Rates for Ever Married Women by Population Group in Rural Bihar	70
A2.21	Reasons for Non-adoption of Birth Control Measures by Population Group in Rural Bihar	71
A2.22	Post-natal Care Received by Ever Married Women Having Delivery the Previous Year by Population Group in Rural Bihar	72
A2.23	Percentage of Children Immunized and Gender Disparity by Population Group in Rural Bihar	73
3.1	Distribution of Households by Caste, Indwas	75
3.2	Enrolment in Primary School by Caste	78
3.3	Distribution of FGD Participants by Children Ever Born and Surviving, Indwas	79
3.4	Free Listing of Illness with Probing and by Caste	83
3.5	Free Listing of Illness by Education and Age of Women	84
3.6	Distribution of Households by Caste, Raghunandanpur	85
3.7	Distribution of the FGD Participants by Children Ever Born and Surviving, Raghunandanpur	87
3.8	Free Listing of Illness with Probing and by Caste	91
3.9	Free Listing of Illness by Education and Age of Women	92
4.1	Enrolment Rate at Primary School Level	103
4.2	Number of Hospital Beds	105
4.3	Work Participation Rates	108
4.4	Per Capita Income	109
4.5	Monthly Per Capita Consumption of Expenditure, 1993-4	110
4.E1	Statewise Primary School Enrolment, Urban Areas	112
4.E2	Statewise Primary School Enrolment, Rural Areas	112
4.E3	Statewise Mean Years of School at Primary Level by Sex	113
4.E4	Statewise Pupil-Teacher Ratio at the Primary Level by Place of Residence	113
4.E5	Districtwise Effective Literacy Rate by Sex, 2001	113
4.E6	Statewise Distribution of Villages by Distance from Schools	114
4.H1	Statewise Number of Hospitals and Dispensaries for and Population Served Per Doctor, 1991	114
4.H2	Statewise Number of Sub-centres, PHCs, CHCs, and FWCs, 1991	114
4.H3	Statewise Number of Doctors, Nurses, and Other Paramedical Staff for All Areas, 1991	114
4.H4	Districtwise Sex Ratio and Percentage of SCs and STs, 1991	115
4.H5	Districtwise Percentage of Urban Population, 2001	116
4.H6	Districtwise Workers as Percentage to Total Urban Population; Cultivators, Agricultural Labourers, and Workers in Household Industry for Urban Areas as Percentage to Total Main Workers, 2001	118
4.H7	Districtwise Workers as Percentage to Total Rural Population; Cultivators, Agricultural Labourers, and Workers in Household Industry for Rural Areas as Percentage to Total Main Workers, 2001	120
4.H8	Districtwise Dependency Ratio and Average Size of Households by Place of Residence, 1991	122
4.H9	Districtwise Mean Age at Marriage and Percentage of Females Married in Age Group 15-24 by Place of Residence, 1991	123
4.H10	Districtwise Child Mortality Rates by Sex and Place of Residence	124
4.H11	Districtwise Adjusted Fertility Indices	126
4.P1	Distribution of Persons per thousand and Average Monthly Consumption Expenditure by MPCE Class for Urban Areas	127
5.1	Allocation of Sample Households in Various Strata	128
A5.1	Levels of Income and Distribution of Households by Population Group in Rural North Eastern Region	137

A5.2	Sourcewise Percentage Distribution of Household Income by Population Group in Rural North Eastern Region	138
A5.3	Average Wage Income and its Share in Total Income by Population Group in Rural North Eastern Region	139
A5.4	Land and Livestock Owned by Households by Population Group in Rural North Eastern Region	140
A5.5	Amenities Available in Households by Population Group in North Eastern Region	141
A5.6	Consumption of Foodgrains and Utilization of PDS by Population Group in Rural North Eastern Region	142
A5.7	Literacy Rate and Gender Disparity by Population Group in Rural North Eastern Region	143
A5.8	Ever Enrolment, Discontinuation, and Non-attendance Rates for Children by Population Group in Rural North Eastern Region	144
A5.9	Factors for Non-enrolment of Children and Gender Disparity by Population Group in Rural North Eastern Region	145
A5.10	Factors for Discontinuation by Children and Gender Disparity by Population Group in Rural North Eastern Region	146
A5.11	Proportion of Population Completing Middle and Matriculation Levels and Gender Disparity by Population Group in Rural North Eastern Region	147
A5.12	Percentage Distribution of Students and Gender Disparity by Type of School and Population Group in Rural North Eastern Region	148
A5.13	Percentage Distribution of Household Annual Expenditure on Schooling in Government Schools and Gender Disparity by Population Group in Rural North Eastern Region	149
A5.14	Percentage Distribution of Household Annual Expenditure on Schooling in Private Schools and Gender Disparity by Population Group in Rural North Eastern Region	151
A5.15	Short Duration and Major Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural North Eastern Region	153
A5.16	Short Duration Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural North Eastern Region	154
A5.17	Fertility Rate by Population Group in Rural North Eastern Region	155
A5.18	Contraceptive Prevalence Rates for Ever Married Women by Population Group in Rural North Eastern Region	156
A5.19	Reasons for Non-adoption of Birth Control Measures by Population Group in Rural North Eastern Region	157
A5.20	Distribution of Ever Married Women having Delivery the Previous Year by Population Group in Rural North Eastern Region	158
A5.21	Percentage of Children Immunized and Gender Disparity by Population Group in Rural North Eastern Region	159
6.1	IRDP Beneficiaries, Panitema	161
6.2	Panitema Balak Primary School (Boys)	163
6.3	Panitema Balak Primary School (Girls)	163
6.4	East Panitema Radha Krishna Jugal Milan Primary School	163
6.5	Enrolment of Satgaon ME School	163
6.6	Panitema Satgaon Girls High School	164
6.7	Panitema Satgaon High School	164
6.8	Bongaligaon Government Primary School	168
6.9	Free Listing of Women's Illness, Bongaligaon	171
7.1	Average, Standard Deviation, and Coefficient of Variation	189
7.E1	Districtwise Primary School Enrolment and Drop-out Rates for Urban Areas	191
7.E2	Districtwise Primary School Enrolment and Drop-out Rates for Rural Areas	192
7.E3	Districtwise Mean Years of Schooling at Primary Level and Teacher-Student Ratio	193
7.E4	Districtwise Effective Literacy Rate by Place of Residence and Sex	193
7.E5	Districtwise Literacy Rate for Scheduled Caste Population, 1991	194
7.E6	Districtwise Literacy Rate for Scheduled Tribe Population, 1991	194
7.E7	Districtwise Distribution of Villages by Distance from School	195
7.H1	Districtwise Number of Hospitals, Dispensaries, Doctors, and Paramedical Staff	195

7.H2	Districtwise Number of Sub-centres, PHCs, and CHCs, and FWCs per Lakh Rural Population for Allopathy System, 1991-2	196
7.H3	Districtwise Number of Doctors, Nurses, and Paramedical Staff for Indigeneous System, 1991	196
7.H4	Districtwise Population Density, Sex Ratio, and Percentage of SC, ST, and Urban Population	197
7.H5	Districtwise Population of Workers as Percentage to Total Population and Workers in Household Industry for Urban Areas as Percentage to Total Main Workers	198
7.H6	Districtwise Population of Workers as Percentage to Total Population and Workers in Household Industry for Rural Areas as Percentage to Total Main Workers	199
7.H7	Districtwise Size of Household and Dependency Ratio by Sex and Place of Residence	200
7.H8	Districtwise Mean Age at Marriage and Percentage of Married Females in Different Age Groups	200
7.H9	Districtwise Crude Birth Rate	201
7.H10	Districtwise Unadjusted Fertility Indices	201
7.P1	Districtwise Distribution of Marginal Farmers by Agricultural Operational Land Holding	202
7.P2	Districtwise Distribution of Large Farmers by Agricultural Operational Land Holding	202
8.1	Allocation of Sample Households in Various Strata	203
A8.1	Levels of Income and Distribution of Households by Population Group in Rural Orissa	211
A8.2	Sourcewise Percentage Distribution of Household Income by Population Group in Rural Orissa	212
A8.3	Average Wage Income and Its Share in Total Income by Population Group in Rural Orissa	213
A8.4	Land and Livestock Owned by Households by Population Group in Rural Orissa	214
A8.5	Amenities Available in Households by Population Group in Rural Orissa	215
A8.6	Consumption of Foodgrains and Utilization of PDS by Population Group in Rural Orissa	216
A8.7	Literacy Rate and Gender Disparity by Population Group in Rural Orissa	217
A8.8	Ever Enrolment, Discontinuation, and Non-attendance Rates for Children by Population Group in Rural Orissa	218
A8.9	Factors for Non-enrolment of Children and Gender Disparity by Population Group in Rural Orissa	219
A8.10	Factors for Discontinuation by Children and Gender Disparity by Population Group in Rural Orissa	220
A8.11	Proportion of Population Completing Middle and Matriculation Levels and Gender Disparity by Population Group in Rural Orissa	221
A8.12	Percentage Distribution of Students and Gender Disparity by Type of School and Population Group in Rural Orissa	222
A8.13	Percentage Distribution of Household Annual Expenditure on Schooling and Gender Disparity by Population Group in Rural Orissa	223
A8.14	Percentage Distribution of Household Annual Expenditure on Schooling and Gender Disparity by Population Group in Rural Orissa	225
A8.15	Short Duration and Major Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural Orissa	227
A8.16	Short Duration and Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural Orissa	228
A8.17	Major Morbidity Prevalence Rates and Gender Disparity by Population Group in Rural Orissa	229
A8.18	Per Person Household Expenditure for Treatment of Illness and Gender Disparity by Population Group in Rural Orissa	231
A8.19	Fertility Rate by Population Group in Rural Orissa	232
A8.20	Contraceptive Prevalence Rate for Ever Married Women by Population Group in Rural Orissa	233
A8.21	Reasons for Non-adoption of Birth Control Measures by Population Group in Rural Orissa	234
A8.22	Distribution of Ever Married Women Having Delivery the Previous Year by Population Group in Rural Orissa	235
A8.23	Percentage of Children Immunized and Gender Disparity by Population Group in Rural Orissa	236
9.1	Guniya Cure of Ailments	239
9.2	Free Listing of Illness, Katabanga	243
9.3	Demographic Profile, Chhuriana	245
9.4	Castewise Distribution of Population, Chhuriana	245
9.5	Distribution of Households by Size	245
9.6	Village Economy, Chhuriana	246
9.7	Preference Ranking for Major Sources of Income	247
9.8	Free Listing of Illness, Chhuriana	253

10.1	Literacy among SCs and STs in India and West Bengal	264
10.2	Districtwise Literacy Rate among SCs and STs, 1991	265
10.3	Districtwise Hospital Beds per Lakh Population, 1981	267
10.4	SC and ST Population in West Bengal	269
10.5	Districtwise Child–women Ratio	272
10.6	Per Capita Income, Consumer Expenditure, Gini Coefficient, and Incidence of Poverty in Selected States	274
