# TABLES

2.1. Environments and cultures: determinism and possibilism	19
2.2. Geographies of the cultural landscape	23
3.1. Representational cultural geography	30
3.2. Non-representational cultural geography	33
5.1. Defining traces	57

The Publishers have made every effort to contact authors and copyright holders of works reprinted in *Understanding Cultural Geography*. This has not been possible in every case however, and we would welcome correspondence from individuals or companies we have been unable to trace.
