Introduction 82

The Grasinski Family: Bloodlines and Traditions 83

Kiss Me, I'm Polish	84
Polishness as a Hybrid Identity	88
Polishness Hidden in the Family	90
References	97

## **PART 3 Hispanic/Latino Ethnic Families**

### **Chapter 7 The Mexican American Family 100**

*Rosina M. Becerra*

Introduction 101

Historical Background 101

Immigration and Population Growth 102 • The Civil Rights  
Movement and the Rise of Chicano Power 103

Change and Adaptation 104

The Contemporary Mexican American Family 105  
• Social Issues 106

Conclusion 109

References 110

### **Chapter 8 The Cuban American Family 112**

*Zulema E. Suárez • Rose M. Perez*

Introduction 112

Chronology of the Exodus 113

The Early Exiles 113 • The Recent Exiles 114

Change and Adaptation 115

Context of Reception 115 • Patterns of Settlement 117  
• The Family in Transition 120 • Acculturation 122 • Current  
and Future Issues: Are Cuban Americans More Successful? 123  
• Education 124 • Race and Class 125

Conclusion 126

References 126

### **Chapter 9 The Puerto Rican American Family 129**

*Lirio K. Negroni*

Introduction 129

Demographics 129

Historical Background 130

Conquest and Colonization 130 • Racial Mix and Racism 131  
• Migration to the United States 132

Changes and Adaptation 133

A Theoretical Perspective of Change and Adaptation 133 • Puerto  
Rican Families' Core Values 134 • Change and Adaptation Related to  
Migration 135 • Change and Adaptation and the Physical and Social  
Contexts 137 • Acculturation and Its Effect on the Family 138  
• Language 140 • Poverty and Socioeconomic Status 140

- Changes in Family Structure 140
- Child Rearing and Challenges with Child Discipline 142
- Challenges for Elders and Their Families 143

Conclusion 144

References 145

## **Chapter 10 The Dominican American Family 148**

*Ramona Hernández*

Introduction 148

The Dominican Family and Women 149

Dominicans in the United States 151

Defining the Dominican Family: Patterns and Characteristics 153

Assessment of Views About the Dominican Family Pre-1980 154

• Evaluating the Impacts of the Cultural Legacies in the Dominican Family: The Good and the Bad 159

• Marital Status of Family and Gender Role: Cultural Legacy and Change 163

The Benefit of Migration and Economic Standing 167

Transnational Practices and Rooting Firmly in the New Abode 169

Conclusion 171

References 172

## **PART 4 Asian American Ethnic Families**

### **Chapter 11 The Korean American Family 174**

*Pyong Gap Min • Chigon Kim*

Introduction 174

Historical Background 175

Immigration and Settlement 175 • Korean History, Culture, Religions, and Family System 178

Korean Immigrant Families 181

Family Size and Composition 181 • Family Stability 183

• Conjugal Role Differentiation 183 • Fertility Rate 185 • Child

Socialization 186 • Elderly Korean Immigrants' Adaptations 188

Younger-Generation Koreans' Adaptation in Family System 190

Intergenerational Differences Based on Census Data 191

• Intergenerational Differences Based on Our Insiders' Knowledge 193

• Patterns of In-marriage and Inter-marriage 194

References 197

### **Chapter 12 The Changing Vietnamese American Family 199**

*Thanh Van Tran • Phu Tai Phan*

Introduction 199

Historical Background 199

Traditional Vietnamese Society 201 • The Traditional Vietnamese Family 202 • Vietnamese Kinship System 203 • The Head of the Family and the Father 203 • The Mother and the Wife 203 • Children 204 • Siblings 205 • The Elderly 205 • Marriage 206 • Immigration History and Resettlement 207

#### The Vietnamese Family in America 210

Background 210 • Characteristics of the Vietnamese American Family 211 • Family Values 214 • The Vietnamese American Father 214 • The Vietnamese American Woman and Mothers 216 • Marriage 218 • Socialization of Young Vietnamese Americans 219 • Old Age in America 220

#### Change and Adaptation 221

Communication Gap 221 • Marital Conflicts 222

#### Conclusion 223

#### References 224

### Chapter 13 The Chinese-American Family 227

*Morrison G. Wong*

#### Introduction 227

#### The Traditional Chinese Family 228

The "Mutilated" or "Split Household" Chinese Family (1850–1920) 230 • The Small Producer Chinese Family (1920–1943) 234 • The Transitional Chinese American Family (1943–1965) 235 • The Modern Chinese American Family: 1965 to the Present 237

#### Changes and Adaptations 245

#### References 247

### Chapter 14 The Japanese American Family 252

*Arthur Sakamoto • ChangHwan Kim • Isao Takei*

#### Introduction 252

#### Historical Background 253

The Classical Issei Family 254 • The Educational Attainment of the Nisei 255 • Education and Traditional Japanese and Japanese American Families 256

#### Change and Adaptation 259

Studying Contemporary Japanese American Families 261 • Contemporary Japanese American Family Patterns 265 • Characteristics of Contemporary White and Japanese American Households 267

#### Conclusion 271

#### References 273

### Chapter 15 The Filipino American Family 277

*Carl L. Bankston III*

#### Introduction 277

Historical Background	278
Migration Periods	279
Family as a Basis for Migration in the Post-1965 Era	281
Immigration History and Gender	282
Family and Ethnicity	282
Parental Race/Ethnicity and Ethnogenesis	284
Marriage by Correspondence	286
Assimilation and Ethnic Networks	287
Change and Adaptation	289
Language and Assimilation	289
Family and Household Characteristics	290
Cultural Values and Family Relations	292
Sexuality	293
Youth Accomplishments and Problems	294
Transnational Families	295
Filipino and American	295
References	296

## **Chapter 16 The Asian Indian American Family 298**

*Uma A. Segal*

Introduction 298

Historical Background 298

- Immigration Patterns 298
- Defining Characteristics of Indians in the United States 301
- Indian Demography and the Family 302
- The Traditional Indian Family 303
- Indian Adolescents 304

The Modern "Indian American" Ethnic Family 304

- Family Structure, Family Behavior, and Ethnic Culture 305
- Family Roles 305
- Demographic Characteristics of the Family 309
- Extended Family Relationships 311
- Maintenance and Transmission of Culture 312
- Transmission of Values 315

Changes and Adaptations 317

- Maintenance of Culture 317
- Race, Ethnicity, and Prejudice 318
- Social Problems, Services, and Informal Support Systems 321

Conclusion 322

References 323

## **PART 5 Historically Subjugated Ethnic Families**

### **Chapter 17 The African American Family 326**

*Dwain A. Pellebon*

Introduction 326

Historical Emergence in the United States 326

Demographics 327

- General Population 329
- Migration Pattern 329
- African American Family Demographics 330

Traditional African American Culture 336

- Analysis of African American Ethnicity 336
- African American Cultural Features and Family Tendencies 340

Social and Economic Challenges 351

Racism and Discrimination 351

Conclusion 355

References 356

## **Chapter 18 The Native American Family 361**

*Robert John*

Introduction 361

Native American Families After World War II 362

Native American Family Typologies 364 • Native American Family  
Change 367 • Life Course 384

Change and Adaptation 399

References 402

## **PART 6 Socio-religious Ethnic Families**

### **Chapter 19 The Jewish-American Family 411**

*Charles H. Mindel • Bernard Farber • Bernard Lazerwitz*

Introduction 411

Historical Background 412

The Sephardic Jews 412 • The German Jews 413 • Eastern  
European Jews 413 • Jews from the Former Soviet Union 415  
• Traditional Eastern European Jewish Life 415

The Modern American Jewish Family 418

The Jewish Population in the United States 418 • Traditionalism in  
Religion 420 • Dispersion, Kinship, and Cohesiveness 421  
• Marriage, Fertility, and Family Roles 424 • Intermarriage 426  
• The Intersection of Religio-Ethnic Communities: A Fourth Melting  
Pot? 429

Change and Adaptation 431

The Pessimists 431 • The Ambivalent Position 432  
• The Optimists 433

References 434

### **Chapter 20 The Amish American Family 437**

*Donald B. Kraybill • Gertrude Enders Huntington*

Introduction 437

Historical Background 438

The Socio-Religious Context 439

The Church-Community 439 • Beliefs and Practices 440  
• Occupation and Social Class 441

Life Cycle Stages 442

Infancy 442 • Childhood 442 • Scholars 443 • Youth 444 •  
Adulthood 444 • Old Age 445

Family Patterns and Practices	446
Rumspringa	446 • Courtship 448 • Weddings 449 • Role Expectations 451 • Kinship 453 • Birthing 454 • Fertility and Growth 454 • Sexuality 456
Conclusion	458
References	459
Recommended Films	460

## **Chapter 21 The Mormon American Family 461**

*David C. Dollahite • Loren D. Marks*

Introduction	461
Historical and Statistical Profiles	462
Historical Profile of Mormonism	462 • Statistical Profile of Mormonism 465
Mormon Family Culture	466
The Eternal Family in Relation to Other Doctrines	466
The Mormon Doctrine of Eternal Marriage and Family	468
