Introduction xvii
E.O. Wilson and Julie Vargas

1 “Selection by Consequences”: The Essential

B.F. Skinner 1

The Behavioral Century 2

Skinner’s New Paradigm 7

The Vocabulary of Operant Conditioning 8

Reinforcers, Cues, and Operant Shaping 10

Beyond a Technology of Behavior 13

Selection by Consequences 15

2 Human Sociobiology: The Essential E.O. Wilson 21

The HMS Beagle to the Modern Synthesis 23

Sociobiology and the New Synthesis 27

Human Sociobiology 30

Gene-Culture Coevolution 33

Additional Considerations 37

Consilience 39

3 A Consilient View of B.F. Skinner and E.O. Wilson: The Operant Foundation of Sociobiology 43

Radical Behaviorism 46

Aligning Skinner and Wilson 50

The Dilemma of Free Will 54

Language and Culture 56

Units of Culture 57

Culturgens and Epigenesis 58

The Operant Basis of Sociobiology 59

A Conversation 60

4 Conversation Between B.F. Skinner and E.O. Wilson 61

Notes 79

5 To What Beginning?	87
Skinner's Technology of Behavior	88
Wilson's Consilient Worldview	89
6 The Challenge: A More Integrated Approach to Human Nature	93
Skinner and Wilson	95
Enlarging the Conversation	95
Mirror Neurons and Imitation	98
Developmental Plasticity and Evolution	100
Rational Behaviorism and Emergents	103
Final Thoughts	106
Epilogue: Some Historical Notes and Indications of the Future	107
Acknowledgments	117
Glossary	119
Bibliography	129
Index	135
