| <b>Series preface</b>                                | ix        |
| <b>Acknowledgments</b>                               | xi        |
| <b>1 Studying small groups</b>                       | <b>1</b>  |
| Defining groups                                      | 3         |
| Functions of groups                                  | 8         |
| How to study groups                                  | 11        |
| Overview of the book                                 | 17        |
| Chapter summary                                      | 17        |
| Exercises  | 18        |
| Further reading                                      | 18        |
| <b>2 Group processes and social influence</b>        | <b>19</b> |
| Group membership and socialization                   | 20        |
| Group development                                    | 26        |
| Group structure: Status and roles                    | 28        |
| Social influence                                     | 31        |
| Chapter summary                                      | 41        |
| Exercises  | 42        |
| Further reading                                      | 43        |
| <b>3 A theoretical framework</b>                     | <b>45</b> |
| Groups as multilevel systems                         | 45        |
| A theoretical framework for group performance        | 47        |
| Chapter summary                                      | 59        |
| Exercises  | 60        |
| Further reading                                      | 61        |
| <b>4 Audience and co-action effects</b>              | <b>63</b> |
| Audience effects: Social facilitation and inhibition | 64        |
| Co-action effects: Social comparison processes       | 75        |
| Chapter summary                                      | 78        |

|  |            |
|--|------------|
| Exercises  | 79         |
| Further reading  | 79         |
| <b>5 Motivation and group performance: Individual effort on collective tasks</b> | <b>81</b>  |
| Motivation losses in groups  | 81         |
| Motivation gains in groups   | 93         |
| Integration: Expectancy-value theory   | 98         |
| Chapter summary  | 100        |
| Exercises  | 101        |
| Further reading  | 101        |
| <b>6 Group idea generation and creativity</b>                                    | <b>103</b> |
| Productivity of brainstorming groups   | 104        |
| Causes of the productivity loss  | 105        |
| Cognitive stimulation and productivity gains                                     | 110        |
| The illusion of group productivity   | 114        |
| Idea quality and idea selection  | 115        |
| Group creativity   | 117        |
| Chapter summary  | 120        |
| Exercises  | 121        |
| Further reading  | 121        |
| <b>7 Group decision-making</b>   | <b>123</b> |
| Social decision scheme theory  | 124        |
| Group decisions and information  | 130        |
| Groupthink   | 140        |
| Integration  | 144        |
| Chapter summary  | 145        |
| Exercises  | 146        |
| Further reading  | 147        |
| <b>8 Group problem-solving and group judgment</b>                                | <b>149</b> |
| Group problem-solving  | 149        |
| Errors and biases in judgment  | 159        |
| Chapter summary  | 163        |
| Exercises  | 164        |
| Further reading  | 164        |
| <b>9 Teamwork and leadership</b>   | <b>165</b> |
| Basic issues in teamwork   | 166        |
| Team diversity   | 168        |
| Interdependence and team mental models   | 176        |
| Leadership and team performance  | 180        |

|  |            |
|--|------------|
| Chapter summary                                    | 191        |
| Exercises  | 192        |
| Further reading                                    | 193        |
| <b>10 Groups in context</b>                        | <b>195</b> |
| Groups as open systems                             | 196        |
| Groups in the social context: Intergroup relations | 203        |
| Chapter summary                                    | 216        |
| Exercises  | 217        |
| Further reading                                    | 217        |
| <b>11 Groups and technology</b>                    | <b>219</b> |
| Effectiveness of groups using synchronous media    | 220        |
| Virtual teams                                      | 228        |
| Chapter summary                                    | 233        |
| Exercises  | 234        |
| Further reading                                    | 234        |
| <b>Glossary</b>                                    | <b>237</b> |
| <b>References</b>                                  | <b>243</b> |
| <b>Author index</b>                                | <b>267</b> |
| <b>Subject index</b>                               | <b>273</b> |
