

# Contents

Preface	ix
Acknowledgments	xiii
1. Sociological Knowledge for Development Projects	
<i>Michael M. Cernea</i>	3
The Project as a Framework for Sociological Endeavor	4
Entrance Points for Sociological Knowledge	7
Methodologies for Social Action	9
Emerging Research Directions	13
Institutionalizing Development Sociology	17
Notes	19
IRRIGATION PROJECTS	
Editor's Note	23
2. Technical and Social Change in Currently Irrigated Regions: Rules, Roles, and Rehabilitation	
<i>E. Walter Coward, Jr.</i>	27
Conceptualizing the Sociology of Irrigation	29
Rules, Roles, and Rehabilitation	32
Ignoring Local Irrigation Organization	33
Supplying the Sociological Analysis	37
A Sociological Field Study of Community Irrigation	38
Field Studies and Rehabilitation	48
Some Suggestions for Action	49
Notes	50

3. Developing Irrigators' Organizations: A Learning Process Approach	<i>Benjamin U. Bagadion and Frances F. Korten</i>	52
The Learning Process in the Participatory Irrigation Program		55
Development of the Learning Process		56
Agency Change		59
Field-level Effects of the Participatory Approach		69
Lessons for Development Programming		79
Project Cycle Issues		82
Notes		86
4. Middle-level Organizational Linkages in Irrigation Projects		
<i>David M. Freeman and Max L. Lowdermilk</i>		91
The Dry and the Wet: Sociology and Irrigation		92
The Problem: Farmer Water Control		96
Organization Building for Irrigation		99
Design for Precarious Partnerships: The Charter		100
Organizational Behavior and Deviance		111
Conclusion		113
Notes		116
AGRICULTURAL SETTLEMENTS		
Editor's Note		119
5. A Sociological Framework for the Analysis of New Land Settlements	<i>Thayer Scudder</i>	121
Sponsored Settlements and Social Science		121
A Dynamic Model of Settlement Process: Four Stages		130
Development Issues Associated with Stage One		137
Development Issues Associated with Stage Two		145
Development Issues Associated with Stages Three and Four		148
Conclusions and Policy Implications		149
Notes		151
LIVESTOCK DEVELOPMENT		
Editor's Note		155
6. Pastoral Production Systems and Livestock Development Projects: An East African Perspective	<i>Neville Dyson-Hudson</i>	157
Pastoral Production Systems		161
Social Organization and Pastoral Production		163
Pastoral Strategies		170
The Twentieth-century Context of Pastoral Strategy		173
Livestock Development Projects		174
Incorporating Anthropology in the Project Process		184
Notes		186

## FISHERY PROJECTS

Editor's Note	187
---------------	-----

## 7. Social and Cultural Characteristics in Small-scale

Fishery Development	<i>Richard B. Pollnac</i>	189
---------------------	---------------------------	-----

Sociocultural Characteristics of Fishing Communities	190
--	-----

Sociocultural Information Needed for Developing Fishery Programs	196
--	-----

Cooperatives for Small-scale Fisherman	201
--	-----

Sociocultural Aspects of Developing Fisherman's Cooperatives	206
--	-----

Designing and Implementing Projects	212
-------------------------------------	-----

Conclusions	219
-------------	-----

Notes	220
-------	-----

## FORESTRY PROJECTS

Editor's Note	225
---------------	-----

## 8. Sociological Variables in Forestry Project Design

<i>Raymond Noronha and John S. Spears</i>	227
---	-----

Social Forestry	229
-----------------	-----

Basic Sociological Variables of Forestry Development	229
--	-----

Translating Sociological Information into Project Design	240
--	-----

The Road Ahead	257
----------------	-----

Future Role of the Forestry Department	265
--	-----

Notes	265
-------	-----

## 9. Alternative Units of Social Organization Sustaining

Afforestation Strategies	<i>Michael M Cernea</i>	267
--------------------------	-------------------------	-----

A Social Innovation and Its Premises	268
--------------------------------------	-----

The Case of a Social Forestry Program	270
---------------------------------------	-----

Land Tenure and the Anatomy of a Project's Failure	272
--	-----

Lessons from the Social Analysis	277
----------------------------------	-----

Alternative Units of Social Organization	278
--	-----

Notes	291
-------	-----

## RURAL ROAD PROJECTS

Editor's Note	295
---------------	-----

## 10. Social Analysis in Rural Road Projects

<i>Cynthia C. Cook</i>	297
------------------------	-----

The Role of Infrastructure in Rural Development	298
---	-----

Sociological Perspectives on Rural Road Projects	299
--	-----

Identifying Rural Transport Needs	302
-----------------------------------	-----

Social Analysis in Project Design	305
-----------------------------------	-----

Social Issues in Project Appraisal	309
------------------------------------	-----

Social Sensitivity in Project Supervision	314
---	-----

Evaluating Project Performance	316
--------------------------------	-----

Notes	319
-------	-----

## EVALUATION

Editor's Note	323
---------------	-----

11. When People Don't Come First: Some Sociological Lessons from Completed Projects	<i>Conrad Phillip Kottak</i>	325
Secondary Analysis of Social Evaluation Findings		326
Social Design for Innovation		331
When People Don't Come First: Development Incompatibilities		336
People-oriented Strategies for Implementation		341
Overview		349
Information Gathering and the Culture of the Development Agency		351
Notes		355

## PARTICIPATION

Editor's Note	357
---------------	-----

12. Fitting Projects to People	<i>Norman Uphoff</i>	359
Problems with a Nonparticipatory Approach		360
Different Kinds of Participation		369
Project Design and Implementation		376
Information Needs		381
Working with Local Organizations		384
Notes		390

## COLLECTION OF SOCIAL DATA

Editor's Note	397
---------------	-----

13. Shortcut Methods of Gathering Social Information for Rural Development Projects	<i>Robert Chambers</i>	399
The Problem		399
Precepts and Principles		404
A Short Repertoire for Rapid Rural Appraisal		404
The Potential of Rapid Rural Appraisal		410
Notes		412

Notes on the Contributors	416
---------------------------	-----

Index	421
-------	-----
