Figures and Tables ix

Abbreviations Used xi

1. Virtual Environments and the Changing Landscape of Information and Communication Technologies 3
 - Definitions and Overview* 3
 - The Development of Shared Virtual Environments Technology* 11
 - Two Technological End-States* 14
2. The Varieties of Experiences of Being There Together 21
 - The Range of MUVE Settings* 22
 - The Range of Experiences in MUVES* 29
 - The Components of MUVE Experiences* 45
 - The Phenomenology of MUVE Experiences in Context* 53
 - Summary* 57
3. Avatar Bodies and Virtual Spaces 61
 - Virtual Spaces* 61
 - Avatar Appearance and Realism* 83
4. Collaboration 95
 - Distributed Work—Distributed Research—Distributed Collaboration* 95
 - Tasks, Collaboration, and Systems* 109
 - Long-Term Collaboration* 131
 - Summary* 137

5. Social Life in Online Worlds	141
<i>The History of Virtual Worlds</i>	142
<i>Roles and Frames</i>	144
<i>Governance, Economies, and Trust in Virtual Worlds</i>	153
<i>Limits of Online Worlds, Limits of Offline Perceptions</i>	168
6. Modalities of Communication	177
<i>Research on Communication in MUVES</i>	179
<i>Face-to-Face versus MUVE Encounters</i>	181
<i>Common Ground in Immersive and Nonimmersive Spaces</i>	183
<i>Language Encounters in MUVES</i>	186
<i>OnLive Traveler and Second Life</i>	191
<i>Text versus Voice, Videoconferences versus MUVES, Face-to-Face versus Online</i>	193
7. Research Uses of Multiuser Virtual Environments	205
<i>The Varieties of Social Research in Virtual Environments</i>	206
<i>Research on Small Group Interaction</i>	209
<i>Research on Large Group Interaction</i>	212
<i>Analysing Interaction in MUVES</i>	217
8. Ethical and Social Issues in Multiuser Virtual Environments	231
<i>Research Ethics</i>	231
<i>Ethical and Social Issues in MUVES</i>	240
<i>Summary</i>	246
9. Multiuser Virtual Environments and Other Technologies for Being There Together	249
<i>Other Technologies for Being There Together</i>	250
<i>Multiple Modalities, Multiple Networks</i>	267
10. The Future of Being There Together	275
<i>Multiuser Virtual Environments as an End-State</i>	275
<i>The Future of Two End-States</i>	289
