Detailed Contents

Preface	xvii
Acknowledgments	xxi
PART I: FOUNDATIONS	
Chapter 1: Global Contexts of Aging: A Sociological Perspective	3
The Demography of Aging and Why It Matters	4
Defining Older Age, Older Age Groups, and Cohorts	4
Population Aging: Basic Concepts	5
Social Consequences of Age Structure	6
Causes of the Age Structural Transition	8
Global Diversity in Population Aging	12
Aging in Other Post-Industrialized Nations	12
Aging and Age Structures in the United States	15
Aging in Lower-Income Nations	19
Government Responses to Population Aging	21
Constructing “the Aging Population Problem”	21
Who Benefits from Representations of Population Aging?	23
This Chapter’s Practical Applications and Everyday Relevance	24
Summary and Conclusion	24
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: Three Theoretical Perspectives	25
Population Age and Crime Rates: The Age-Crime Curve	26
Filial Responsibility Laws in China . . . and the United States	27
<i>Key Terms and Concepts</i>	28
<i>Questions for Reflection and Discussion</i>	28
<i>Chapter 1 References</i>	29

Chapter 2: Sociological Imagination and the Life Course Perspective	33
The Life Course Perspective and Its Vocabulary	34
What Is a <i>Life Course</i> ?	35
Life Stages	36
Birth Cohorts, Generations, and Sensitive Stages	36
Age/Cohort/Period Effects: Conceptual Distinctions	39
Central Principles of the Life Course Perspective	40
Principle 1: Interplay of Lives and Times (“Time and Place”)	40
Principle 2: Timing of Life Events	42
Principle 3: Linked Lives	43
Principle 4: Life-Span Context (“Life-Span Development”)	44
Principle 5: Agency	45
Key Concepts in Life Course Studies	46
Social Pathways	46
Transitions	47
Trajectories	48
Turning Points	48
Life Course Continuities	49
Accentuation	50
This Chapter’s Practical Applications and Everyday Relevance	51
Summary and Conclusion	51
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: Sociological Imagination and the Life Course Perspective	52
<i>Key Terms and Concepts</i>	53
<i>Questions for Reflection and Discussion</i>	53
<i>Chapter 2 References</i>	54
Chapter 3: The Social Construction of Age, Aging, and Life Stages	59
Age Norms	60
Age as a Social Identity	61
Social Constructs and Their Consequences for Aging	61
The “Social” in the Social Construction of Aging	62
Social Construction of Life Stages	63
Childhood as a Social Construct	63
The Creation of “The Teenager” and Demonization of Youth	65
Biological Realities of Childhood, the Teen Years, Old Age, and Other Life Stages	67
New Life Stages: Emerging Adulthood and “the Third Age”	68
Life Stages in Holistic Social Context: Implications	70

Constructing Age and Aging	71
How Old Are You?	71
Are You “Old”?	73
The “Happiness Curve”: Patterns of Life Satisfaction over Life Stages	74
This Chapter’s Practical Applications and Everyday Relevance	77
Summary and Conclusion	78
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: The “Thomas Theorem”	78
Later-Life Experiences: No Firsts?	79
Case for Analysis and Discussion—Age Differences in Romantic Relationships: Is Age “Just a Number”?	79
<i>Key Terms and Concepts</i>	80
<i>Questions for Reflection and Discussion</i>	81
<i>Chapter 3 References</i>	81

PART II: EXPERIENCES AND CONDITIONS OF LATER LIFE

Chapter 4: Sociocultural Contexts of Ageism	87
Defining Ageism	88
Ageism: Familiar but Unique	89
Ageism, Popular Culture, and Representations of Later Life	90
Jokes, Advertisements, and “Anti-Aging” Products	91
Stereotypes, Media Tropes, and Entertainment	91
Isn’t Ageism Natural and Inevitable?	93
Negative Views of Older Adults and Later Life: Theoretical Explanations	94
Theoretical Explanation 1: Modernization and Technological Development	94
Theoretical Explanation 2: Culturally Based Understandings of Freedom and Dependence	96
Theoretical Explanation 3: Political-Economic Contexts	97
Ageism: Real Consequences	98
Impacts on Physical Health and Wellbeing: Ageism Gets “Under the Skin”	98
Ageism and Mental Wellbeing	100
Employment and Life Chances	101
Ageism’s Costs to Society	102
Practical Steps: Resisting “the Last Acceptable Ism”	103
Alternative Understandings of Later Life	103
Education and Media Representations	103
Re-Examining Laws and Policies against Ageism	104
Activism and Positive Aging Movements	104

This Chapter's Practical Applications and Everyday Relevance	105
Summary and Conclusion	106
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: Institutionalized Discrimination	106
Later-Life Experiences: Elderspeak	107
<i>Key Terms and Concepts</i>	108
<i>Questions for Reflection and Discussion</i>	108
<i>Chapter 4 References</i>	109
Chapter 5: Aging, Health, and Wellbeing: Central Concepts and Sociological Approaches	115
The Social Causes of Health and Illness Model	116
Sociological Explanations for Later-Life Health and Wellbeing:	
The Theories	117
"Classic" Theories of Later-Life Wellbeing	118
Contemporary Theories of Later-Life Wellbeing	120
Later-Life Health: Common Measurements and Historical Trends	125
The "Failure of Success" Model, Compression of Morbidity, and Healthy Life Expectancy	128
Later-Life Health in the Contemporary United States	129
Chronic Illness and Comorbidity	130
Aging and Mental Health in the United States	131
Later-Life Healthcare in the United States: Some Macro-Level Social Contexts	136
Political-Economic Contexts of Healthcare in Old Age	136
The Rise of Telemedicine and Home Healthcare	137
This Chapter's Practical Applications and Everyday Relevance	138
Summary and Conclusion	139
<i>Textboxes in this chapter:</i>	
The Successful Aging Model: Reactions from Critical and Feminist Gerontology	140
Two Cases for Analysis and Discussion	141
<i>Key Terms and Concepts</i>	142
<i>Questions for Reflection and Discussion</i>	142
<i>Chapter 5 References</i>	143
Chapter 6: Later-Life Inequalities: At the Intersections	147
Patterns and Their Implications	148
Later-Life Resources: Differences and Inequalities	149
Intersecting Patterns in Later-Life Health and Wellbeing	150
Example of Intersectionality: Earnings over the Lifetime	150

Economic Conditions of Later Life in the United States:	
Intersections of Age, Race, and Ethnicity	152
Race, Ethnicity, and Health at Older Ages	155
Intersections of Older Age, Sex, and Gender	157
LGBTQ+ Aging and Wellbeing	162
Disability and Aging	164
Aging <i>into</i> Disability and Aging <i>with</i> Disability	165
This Chapter's Practical Applications and Everyday Relevance	166
Summary and Conclusion	166
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: Intersecting Social Identities	167
Multiple Capitals Model (adapted from Flora and Flora 2008)	168
<i>Key Terms and Concepts</i>	169
<i>Questions for Reflection and Discussion</i>	169
<i>Chapter 6 References</i>	169

PART III: ACTIVITIES OF LATER LIFE

Chapter 7: Aging, Work, and the Sociology of Retirement	177
Work and the Life Course	178
Gender, Family, and Life Course Work Trajectories	180
Retirement as a Social Institution	181
Retirement as a Life Course Transition	184
Retirement: A Socioemotional Process	184
Social Timing, Linked Lives, and Retirement Decisions	185
Sociocultural Meanings of Retirement	185
Retirement as a Time for Leisure, Self-Gratification, and Pursuing the "Bucket List"	186
Retirement as a Time for Family and Service	186
Retirement as a Time for Continued Learning and Self-Development	187
Retirement as Conclusion of a "Calling"	187
Retirement and the "Busy Ethic"	187
Aging and Employment in the United States	190
U.S. Workplace Norms: Age, Occupations, and Seniority	192
"Gray Entrepreneurship"	193
Additional Sources of Income in Later Life	194
Contemporary Retirement in the United States	196
Retirement Insecurity	197
"Early Exit" and "Working Longer"	197
This Chapter's Practical Applications and Everyday Relevance	198
Summary and Conclusion	199

<i>Textboxes in this chapter:</i>	
Case for Discussion: Mandatory Retirement Practices in Japan	199
Core Concept in Sociology: Rite of Passage	201
<i>Key Terms and Concepts</i>	202
<i>Questions for Reflection and Discussion</i>	202
<i>Chapter 7 References</i>	203
Chapter 8: Social Convoys, Marriage, Divorce, and Intimacy in Later Life	209
Social Networks and Social Convoys in Later Life	210
Aging and Friendship	213
Types of Friendship over the Lifetime	214
Gender and Later-Life Friendships	215
Later-Life Partnerships	215
Marriage Relationships and Older Adults	216
Later-Life Cohabitation	217
Living Apart Together in Later Life	218
Satisfaction in Later-Life Nonmarital Partnerships	219
“Gray Divorce” and Widowhood	219
Later-Life Widowhood	220
Later-Life Marital Dissolution and Wellbeing	221
Repartnering in Later Life	222
Older Adults’ Sexual Intimacy and Expression	222
Cultural Aversion to “Old People Having Sex”	223
Contemporary Later-Life Sexual Activity	223
Barriers to Healthy Physical Intimacy in Old Age	224
The Medicalization of Later-Life Sex	226
This Chapter’s Practical Applications and Everyday Relevance	227
Summary and Conclusion	228
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: “The Strength of Weak Ties” and “Elastic Ties”	229
Linked Lives and (Re)Marriage	230
Defining Intimacy	231
<i>Key Terms and Concepts</i>	231
<i>Questions for Reflection and Discussion</i>	232
<i>Chapter 8 References</i>	232
Chapter 9: Aging, Families, and Intergenerational Exchanges	241
Family as a Social Institution	242
Aging and Family Structures	242
Older Adults, Family, and Living Arrangements in the United States	243

Intergenerational Ties and Exchanges: Theories and Concepts	245
Intergenerational Solidarity and Cooperation	245
Intergenerational Conflict and Ambivalence	247
Types of Intergenerational Support Exchanges	248
Intergenerational Giving: Motivations and Support Flows	249
Exchanges of Help between Generations: What the Data Tell Us	250
Stepfamilies and Intergenerational Exchanges	251
Social-Psychological Consequences for Older Adults	252
Grandparenting Roles and Relationships	253
Caregiving for (and by) Older Adults	254
Family Elder Care: Who Provides It?	256
Gender, Family, and Elder Care	256
Elder Care: Intersections of Race, Ethnicity, Gender, and Sexuality	257
Caregiver Burden	258
Positive Aspects of Caregiving	258
Elder Abuse	259
This Chapter's Practical Applications and Everyday Relevance	261
Summary and Conclusion	261
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: Social Roles, Role Conflict, and Role Strain	262
Experiences of Aging: What Aging Parents Want	263
<i>Key Terms and Concepts</i>	263
<i>Questions for Reflection and Discussion</i>	264
<i>Chapter 9 References</i>	264

PART IV: AGING AND SOCIAL CHANGE

Chapter 10: Generational Identity, Conflict, and Societal Change	275
Social Change and "The Youth"	277
Generationalism and Social Change	278
The Social Construction of Generational Categories	279
Generational Differences: What Research Finds	281
Undisputed Differences: Demography, Age at First Marriage, and Education	281
"It Gets Complicated": Politics, Workplace Attitudes, Technology, and Values	283
Omens of a "Generation War"?	290
Theorizing Generational Differentiation and Conflict	290
Generational Othering and "Us vs. Them"	292

Challenging the Conflict Narrative	294
Suggestion 1: Question the Generational Equity Frame	294
Suggestion 2: Reject the “Lump of Labor” Fallacy	296
Suggestion 3: Adopt a Long View	296
This Chapter’s Practical Applications and Everyday Relevance	297
Summary and Conclusion	297
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: Labeling Theory	298
Race, Class, and Generation	299
<i>Key Terms and Concepts</i>	299
<i>Questions for Reflection and Discussion</i>	300
<i>Chapter 10 References</i>	300
Chapter 11: Aging, Place, and Built Environments	305
A Brief Sociology of Place, Aging, and Built Environment	307
Places Bestow Identity and Belonging	307
Places Provide Access to (or Restrictions From) Resources	308
Places Shape Thoughts and Behaviors	309
Aging, Wellbeing, and Immediate Built Environments	310
Theorizing Aging and Immediate Built Environments	310
Theoretical Explanations for Links Between Neighborhood and Quality of Later Life	312
Older Adults’ Influence on Immediate Environments	313
Neighborhood Environments and Later-Life Wellbeing: What the Data Suggest	313
Neighborhoods and Later-Life Access to Transportation	314
A Sociology of <i>Aging in Place</i>	315
Motivations for Aging in Place	317
The Role of Home Health Services and Technology	317
Aging in (Moving) Place: Home Attachments and Seasonal Migration	319
Aging in Place Alone: “Is Living Alone the Same as ‘Aging Alone?’”	320
Critiques of Aging in Place Campaigns	320
Creating Age-Friendly Public Spaces	321
This Chapter’s Practical Applications and Everyday Relevance	323
Summary and Conclusion	323
<i>Textboxes in this chapter:</i>	
Micro-Environmental Design and Late-Stage Dementia	324
Core Concepts in Sociology: Neighborhood Effects	325
How Age-Friendly Is <i>Your</i> Community?	326

<i>Key Terms and Concepts</i>	327
<i>Questions for Reflection and Discussion</i>	327
<i>Chapter 11 References</i>	328
Chapter 12: End of Life and the Future of Aging	333
Death: Social Attitudes and Expectations	334
Is Contemporary U.S. Society “Death-Denying”?	335
What Is a “Good Death”?	336
Narratives of Death and Dying in Later Life	337
Contemporary Patterns of Later-Life Mortality	338
Life Course Processes and Mortality in Old Age	339
Age, Mortality Risk, and Cause of Death	339
Social Change and End-of-Life Experiences	340
The Medicalization of Later-Life Death	342
Hospice and Palliative Care	343
Aging in a Post-Pandemic World	347
Intergenerational Exchanges	347
Later-Life Housing Decisions	347
Economics: Work and Retirement	348
Future Demographies of Aging	348
Aging in the Coming Century	348
Cognitive Performance and “Brain-Training” Products	349
Research on Neurodegenerative Diseases	349
Regenerative Medicine	350
Radical Life Extension and the Fight against Aging	350
Ethical, Environmental, and Social Concerns (and Rebuttals)	351
This Chapter’s Practical Applications and Everyday Relevance	352
Summary and Conclusion	353
<i>Textboxes in this chapter:</i>	
Core Concepts in Sociology: The Sick Role (and the Dying Role)	353
Practical Preparations for End of Life	355
<i>Key Terms and Concepts</i>	356
<i>Questions for Reflection and Discussion</i>	356
<i>Chapter 12 References</i>	356
Glossary	363
